Bangalore,

30th September 1917.

My dear Mr Cobb,

The European officers of the Central College herehave represented that they are asked to go into camp, for six days or so, without any notice to the Durbar.

Col. Barton spoke to me about some arrangement he had in view. I told him that he might write through the Residency. But we have received no communication so far. The officers are all anxious and the work of the College is likely to suffer. I understand they have received orders to attend a camp at Agaram for about 6 days. Commencing from tonight.

We wrote officially as soon as we heard of this difficulty but have not heard in reply.

The exemption we want is only in the case of 3 officers, namely, Messrs. Metcalfe, Usher and Sell. I shall be very much obliged if you will kindly make enquiries and arrange that their duties may not be interfered with on the present occasion or in future without a previous understanding with the Durbar.

Yours sincerely,

Sd/- M. Visvesvaraya.
